Ms. Adams,

We have received two productions from the USA the first on 11/22/2022 and the second on 12/07/2022. They did not have a cover letter or any accompanying documentation that indicated whether they were production 001, 002 or 003. We have identified the documents/information by file name/path link in the attached word documents that we have not been able to access. After you have a chance to review the attached, please let me know the best way to cure the accessibility issues. Also, please let me know what USA production number (001, 002 or 003) corresponds to each production we have received.

If you would like to discuss the attached, please feel free to call me at (405) 858-8899.

Thank you for your help,  
Kate
